

## Pricing

Just as people are not alike, nor are websites. Metro Innovations understands that some clients may have large budgets and others have ones that are more modest. With this in mind, we pride ourselves in providing our potential clients with a risk free detailed estimate of costs based on their needs, before the design phase begins. Our goal is to offer top of the line services at a affordable prices with no hidden costs. We offer free hosting and a domain name with all our designs. We understand you still may want some basic idea of what the design fees for creating a site will be...

If you decide to choose Metro Innovations for your project you should know that for a static web site

We charge \$200 for the site layout and home page

We charge \$50 per page after the home page

We charge \$50 per contact/inquiry type form

So basically if you wanted a 5 page website with a contact form your price would be \$450

This is just to give you a basic idea of costs, for a risk free detailed estimate and website consultation Contact Us
